

Open in case of frustration...

How to begin:

Dondra-A New Beginning...
Hints for the first time adventurer.

Did you take the key?

Yes - it dropped to the ground.

No - try taking it.

Did you decipher the code on the north door?

Yes - good.

No - it is a sliding code, (ie. B=A C=B):

XQFBL ZF UIFTF XPSET

SPEAK YE THESE WORDS

Which means: SAY DEATH TO COLNAR

This will make a keyhole appear in the north door.

To get the key you must:

OPEN THE SOUTH DOOR

KICK THE KEY SOUTH (The key steams up the south room.)

GO SOUTH

TAKE THE KEY

GO NORTH

To open the north door:

After you insert the key into the keyhole the door will open.

GO NORTH

Skeletons will appear and scream "SPEAK MORTAL". Simply try what has worked before:

SAY DEATH TO COLNAR

The skeletons give you items helpful in your quest on DONDRA.

To get past the skeletons in one set of instructions when starting from the first screen:

TAKE KEY.OPEN S DOOR.KICK KEY S.S.GET KEY.N.SAY
DEATH TO COLNAR.INSERT KEY INTO KEYHOLE.N.SAY
DEATH TO COLNAR.N
