

Rambo

First Blood-Part II

One good thing about this adaptation of the Sylvester Stallone movie is that you don't have to try to figure out what Stallone is talking about when he mumbles—it's all text, so you can read the dialogue. As in the film, your goal is to return to a POW camp in Vietnam and rescue some of your war buddies. It begins when you parachute into a Vietnamese jungle and ends when you free the POWs—or get killed trying. The latter is more likely, since this is a deadly adventure that arms you with a bow, machine gun and rocket-firing helicopter. Many puzzles center on combat, both armed and unarmed. And a time limit of sorts is imposed, for you won't last long after your ammo runs out. (See the review of *The Mist* for comments on the parser in this game, produced by Angelsoft.)

The Walkthrough

When the helicopter gunship appears you must "hide" on the next move or die. You can hide only at the places indicated on the map. Later you will face enemy guards. If one is aiming his gun at you, "fire gun at guard." But if he's just holding a gun, "fire bow at guard."
