Quest for the Scarlet Letter,

by Stephen Cabrinety

Quest for the Scarlet Letter will allow you to transport yourself back in time to 17th century Puritan New England. You have seven years to complete your assignment there. Failure to do so will cause you to be locked in time. If you have a knowledge of American Literature, your ability to score will be enhanced.

All the information required to effectively participate in this adventure is included in the instructions on the diskette.

Helpful Hints

- ★ The preference selection gives you two choices:

☐ 1 or ☐ 2

After selecting your choice, you must press

the key to continue.

- ★ It is advisable to pay attention to your relative position and conserve your picture usage.
- ★ If you fail to complete this game, the cursor will appear and you must

press the key to return to the beginning of the game.

(over, please)

This program is fully guaranteed. If the program ever fails to run:

Quest for the Scarlet Letter

by Stephen Cabrinety

Quest for the Scarlet Letter, based on the book authored by Nathaniel Hawthorne, is an adventure game that takes place in the 17th century in Puritan New England.

The adventure is a timed simulation with scenes depicting a series of events that occur from 1642 to 1649 in a town near Boston.

The quest will be enhanced if you have some knowledge of American literature. Take this opportunity to transport yourself into the past to see if you can find the infamous letter.

This program is fully guaranteed.
